

2009 GUIDE TO ENROLMENT

Please read this Guide carefully. It is intended to help you through the process of enrolling and sets out Open Polytechnic's Terms and Conditions of Enrolment. If you have any questions, or would like assistance to complete the enrolment form, ring a Customer Services Representative on 0508 650 200.

Identification

If you have studied with us before, you will have an Open Polytechnic student number. Contact a Customer Services Representative on 0508 650 200 if you don't know your student number. If you are enrolling for the first time, you will be allocated an Open Polytechnic student number. Your student number will be 7 digits and should be used on all correspondence with us.

National Student Number (NSN)

The National Student Index (NSI) is the system in which every tertiary student and National Certificate in Educational Achievement (NCEA) candidate is given a unique number. The Ministry of Education collects the following information for the NSI:

- Your full legal name
- Date of birth
- Gender
- Residential status

This information is used in an Authorised Information Matching programme with the New Zealand Birth Register. For further information please see <http://www.nsi.govt.nz/ima>.

Your unique NSN stays with you for life — it remains the same even if you change education providers. It is also used by the New Zealand Qualifications Authority (NZQA) to record credits and qualifications gained by learners on the National Qualifications Framework (NQF). This means that if you have a Record of Achievement number this will also be the NSN number that your tertiary education provider uses. If you are enrolling in unit standard courses, we will check to see whether you are 'hooked on' to the NQF. If you are not, we will arrange for your 'hook on' to be processed when you have successfully completed your first unit standard. There is no charge for this service.

Personal Details

If this is the first time you have enrolled with Open Polytechnic or you do not have a verified NSI record, you need to provide a **verified copy*** of evidence of your full legal name and age. If you have enrolled with us before, and your name has changed since your last enrolment, you will need to send us verified documentation to confirm that change.

One of the following is required as evidence of acceptable documents: (Do not send the originals)

- Birth Certificate, Passport or Certificate of Citizenship (with place of birth stated as New Zealand, Cook Islands, Tokelau, Niue, or Australia)
- Overseas passport
- Statement of Whakapapa, including date of birth, countersigned by a Kaumatua and yourself (only if the birth has not been registered)
- Certificate of Identity (from the New Zealand Immigration Service)
- For change of legal name only, Marriage Certificate or Deed Poll declaration

*A **verified copy** is a photocopy that has been signed as a true and accurate copy of the original by a person listed in the Oaths and Declaration Act 1957 as being able to take declarations. This person could be a **Barrister or Solicitor of the High Court, Justice of the Peace, Notary Public, Registrar or Deputy Registrar of the Court, Member of Parliament, Land Transport Safety Authority, Public Trust or local authority employee designated for this purpose.** If you are in a remote area and do not have access to one of these people, a **school principal, minister of religion or general practitioner** is acceptable.

You can find a list of JPs in the Yellow Pages of the telephone book or on www.jpfd.org.nz (JPs do not charge for the service).

All verified photocopies must show:

- The name of the verifier
- Their title (may be in the form of a stamp)
- Their signature
- The date verified.

Verified copies of documents must be mailed to us. A faxed copy is not a legal document.

Birth Certificates — If you need to obtain a birth certificate, contact Births, Deaths and Marriages on 0800 22 52 52. If you have a credit card, you can order copies of certificates at that number. Certificates currently cost \$26.00. You can also order a copy of your birth certificate by going to the following web site www.bdm.govt.nz

- Note:**
1. Your enrolment will not be confirmed until we have sighted complete verified documentary evidence of your full legal name, age and citizenship.
 2. Open Polytechnic's Student Management System is case sensitive, please use upper and lower case when completing all forms.

Contact Details

You must supply us with a home address that is not a PO Box number. You have the option of receiving your course material and correspondence at an alternate delivery address, which can be a PO Box number.

As many of our students are working and studying, we ask for workplace details to help us to assist you with your study.

Residency Status and Citizenship

Your citizenship or residency status tells us whether you are classed as a **Domestic** or **International** student.

Domestic students may have their tuition fees subsidised by the New Zealand Government through the Ministry of Education. If you are younger than 16 years of age, you may enrol with us (subject to meeting programme admission requirements), but you will need a school exemption certificate. Talk to your school regarding the STAR programme if you are at secondary school.

If you are a **domestic** student, you must supply verified evidence of NZ citizenship or NZ permanent residency. Refer to **Personal Details** for acceptable forms or verified evidence.

You are a **domestic** student if you are:

- A citizen of New Zealand, or a citizen of the Cook Islands, Tokelau or Niue studying there or in New Zealand.
- A permanent resident of New Zealand (including Australian citizens or permanent residents) living in New Zealand.

International students must pay full fees. Only certain programmes are approved for admission by international students (see your Programme Information).

You are an **International** student if you are not a citizen or permanent resident of New Zealand (as described previously).

International Students Living in New Zealand

You must provide verified evidence of your right to study in New Zealand:

- passport
- work permit with Variation of Conditions

Note: Open Polytechnic does not accept enrolment applications from students with a student permit/visa.

International Students Living outside New Zealand

You must provide verified evidence of your full legal name:

- passport or birth certificate

Iwi Affiliation

If you identified as 'New Zealand Māori' in the **Ethnicity** section, the Ministry of Education requires that you specify your Iwi. A list of Iwi codes has been compiled by Statistics New Zealand and is included in this Guide. You can select up to three Iwi codes from this list.

Secondary School

The Ministry of Education requires us to collect information on the last New Zealand secondary school you attended.

You must supply these details, otherwise we will be unable to confirm your enrolment.

Tertiary Study

Tertiary study is study taken after you have left secondary school (but excludes STAR, community or other non-formal programmes). If you have enrolled in tertiary study before, answer 'No' to the question asked and complete the remainder of the section.

Prior Activity

The Ministry of Education requires us to report on your **MAIN** occupation or activity in New Zealand on 1 October 2008.

Note: If you have answered 'Yes' in the Tertiary Study section, you have a limited choice of occupation or activity codes.

English Language Proficiency

Open Polytechnic teaches in English. If English is not your first language, you must provide evidence of English language proficiency. Refer to your Programme Information for the criteria you need to meet.

Disability

The Ministry of Education requires us to report on the numbers of students with disabilities who enrol with us. If you tell us that you have a disability, we will send you a brochure outlining the services we can offer. We may be able to assist you with your studies. Contact a Customer Services Representative on 0508 650 200 who will put you in contact with our Disabilities Co-ordinator or Literacy and Learning Needs Advisor, or email disabilities@openpolytechnic.ac.nz. If you need any special arrangements to enable you to study you need to discuss this with the Disabilities Co-ordinator prior to, or as soon after enrolling, as possible.

Student Contact

If you tick the 'Yes' box in this section, your name, geographical area, telephone number and/or email address will be added to the student contact list for your course(s). Not all courses have contact lists. It is up to you to make contact with other students, but we cannot guarantee that there will be other students living in your area who wish to be contacted.
