Subject: Introducing the New Chairperson and Deputy Chairperson of the Communications Standing Committee

The Federation Board is excited to announce some important changes to our organization's Communications Standing Committee.

During the recent Board meeting on 14th February 2024, I was appointed by the Federation Board as the new Chairperson of the Communications Standing Committee.

I bring a wealth of experience as President of Far North Grey Power and Zone 1 Director, which is an invaluable asset in driving effective communication strategies.

The Board also appointed Gayle Chambers as the new Deputy Chairperson. Gayle, President of Marlborough, and Zone 5 Director, brings a strong background in leadership and communication skills that will undoubtedly contribute to our committee's success.

With this dynamic duo at the helm, I am confident that our committee will excel in fostering progressive communication channels and ensure the timely execution of tasks.

I kindly request your cooperation in supporting our endeavours for improved communication within our organization.

Should you have any suggestions or ideas on how I can further enhance the Federation's communication efforts, please do not hesitate to reach out. Your input is highly valued as we strive for seamless collaboration and more efficient decision-making.

Thank you for your continued support, and let's work together towards achieving great things without delay!

Russell Bird
