**Subject: Farewell Gift to Retiring President Jan Pentecost**

---

The Federation Board has arranged for a presentation and gift to Jan Pentecost, our first female President, at the National AGM in Wellington in June. This is to recognise her 14 years of service and dedication to the Grey Power Federation, both as National Secretary, and more recently for the last 4 years as National President.

We are also making an opportunity for GP Associations and individuals to contribute towards her farewell gift should they so desire.

Contributions can be made via the Federation Bank Account **38-9018-0089518-00**. Please add your name or Association in the Particulars Section, and **Gift for Jan** in the Reference Section.

It would be appreciated if all gifts were deposited no later than the Friday 31<sup>st</sup> May.

Many thanks

Kind regards

David Marshall

**Acting President/National Vice President**
