Subject: New Benefit for Grey Power Members

We are delighted to announce a new offer available to all Grey Power Members – Coffee Capsule 2U.

Full details are available on our website <https://www.greypower.co.nz/membership-benefit-information>

Welcome to Coffee Capsules 2U.

This small Warkworth company have been providing Kiwi coffee drinkers with a delicious range of Nespresso coffee blends for their Nespresso machines since 2016.

And when it comes to their brews, their simple numbered blend system is tailored to every taste. The higher the blend number, the higher the roast's intensity. From smooth and creamy to rich and intense, they've got you covered. Even hot chocolate lovers are catered for!

Visit their website Shop at - <https://www.coffeecapsules2u.co.nz/shop>. **Don't forget to use the discount code (GreyPowerCC2U) when you place your order!**

Unfortunately Challenge Fuels have ceased their special fuel discount for new Grey Power enrolments. However, all those currently enrolled with Challenge will remain eligible for the ongoing fuel discounts. Gold Card holders will continue to be eligible to sign up for Challenge discounts.

Kind regards

David Marshall
