

Celebrate Their Lives with a Magical Film.

We make it easy to capture stories & experiences from your loved one to share with family, friends & future generations.

I'm a film maker & I'm passionate about helping families celebrate the lives of their cherished Loved Ones, transforming experiences they may tell us were 'just ordinary' into something truly extraordinary.

I use my skills of film directing and forming honest connections to capture their unique story in a way you've never seen before.

The final films are then shared on a USB stick and a bespoke, private webpage so they can be watched and shared over and over with generations to come.

I am offering Grey Power Members, and their families, an exclusive discount of 7.5% on any of my packages. Please note that at present my service at the quoted prices is restricted to the Greater Auckland area (including Pukekohe to Whangaparaoa) and the Greater Wellington area (including Levin, Otaki and Foxton plus Hutt Valley & Wairarapa.) Happy to quote for other areas though.

I am really looking forward to working with Grey Power members and their families to create enduring cherished memories, that will be treasured for generations.

Please use this code on the contact form to ensure you qualify: **GP DISCOUNT**
