Good Afternoon All,

Please forward your Membership Maintenance Forms (MMFs) and payments at least Monthly to the Federation Office, to avoid any delays in processing. (*Constitution Section 4.4.3 "Upon collecting the subscription fee from their members, Member Associations are obligated to forward the Federation Affiliate Subscription to the Federation, along with the names of each individual financial member for whom the fees are being paid, within 20 days of receipt. For members who are part of a couple, fees must be submitted separately for both individuals."*)

The preferred format is Excel, by email to: fed-office@greypower.co.nz
Larger Associations, we would appreciate the MMFs and payments Fortnightly.
If you have any queries or require any assistance in completing the Membership Maintenance Forms, please do not hesitate to contact me at the Federation office (09) 299 2113.

Thank you to those Associations that already submit their MMF's and payments on a regular basis.

Thank you for your help.

Kind Regards

Kerry Moshier
