To: All Associations
Cc: All Board Members & Zone Facilitators
From: **Lew Findlay**, Treasurer
Date: 6th October 2026

Good Morning All,
Please find attached the SSP for September 2026.

At this stage, all Board members have contributed to the information Bar one. Four of the facilitators filed SSPs and 32 associations have filed, an SSP so far this year, if you look at the figures, I think you will be most impressed by what our organisation does throughout the country.

Have a read of the comments. Some are very interesting and helpful.

Kind Regards
